Dear Mr. Perez:

The Garfield Athletic Department and our newly formed Garfield Golf Club are very enthusiastic about the Pin Pals Junior Links program you presented last month. At that time, we expressed our enthusiasm, but explained the difficulty we would have arranging reliable transportation to Sun Valley Golf Course; parent transportation help, at the present time, is negligible and interested teachers are concerned about liability issues.

Recently, we learned that you have negotiated an arrangement with Balboa Municipal Golf Course. Balboa is 5 minutes away from Garfield High School and means some of our teachers will be less concerned about the liability. Also, public transportation may be an option.

In any event, please know that we agree with you that under served children, such as the ones we have at Garfield, deserve an opportunity to see what golf the world of golf has to offer them. We commend you for your efforts to promote this project and for making the Balboa connection. Please call me to set up a meeting to discuss pertinent details.

PS: On Friday November 10, at Mission Trails Golf Course, I met a Pin Pals supporter who was doing a fundraiser. I jotted his name down on our scorecard, but inadvertently threw the card away. I guess I didn't like my score. In any event, the man said something about getting Mission Trails to donate some clubs to our cause. Clubs are sorely needed, as are gloves, balls, tees, etc. We have no golf equipment. I mention this in hopes that you will follow up on the offer.

Sincerely yours,

Ross Warfel
